## PALS Family Letter Template for 2<sup>nd</sup> Grade – Fall 2022– English

*PALS* provides this template to divisions and schools to assist with family communication about *PALS*. Division and school leaders are encouraged to send this letter as well as the child's *Student Summary*. If applicable, information regarding the *intervention program* you will provide for the student may be entered into this template.

Dear Family of \_\_\_\_\_\_,

*PALS 1-3* is a screening tool of young children's literacy development which has been used for over twenty years with students in Virginia. Results are used to determine individual children's learning goals, plan classroom instruction, and raise awareness of children who need additional support or instruction in early reading and literacy.

Focusing on early detection and early intervention of reading difficulties is a required state-wide policy (Early Intervention Reading Initiative). The *PALS 1-3* screening tool is a way to help schools and teachers meet that mandate.

*PALS* has *individual task scores* which show the number of items a student answered correctly on each task and an overall *Summed Score*. There is a different *Summed Score Benchmark* for each grade-level and each time period (fall/spring).

The Summed Score Benchmark for fall of 2<sup>nd</sup> grade is 35.

Your child's Summed Score is \_\_\_\_\_.

- If your child's *Summed Score* meets or exceeds the benchmark, your child is not identified to receive intervention funded through the EIRI initiative. However, you child's individual task scores may still indicate that your child needs instruction in those particular areas.
- **If your child's** *Summed Score* is below the benchmark, this indicates that your child is *significantly* behind in basic literacy development and has been identified by *PALS* for intervention. Identified students are required by the Early Intervention Reading Initiative (EIRI) to receive 2.5 hours of additional instruction per week above and beyond regular classroom instruction.

Divisions and schools determine how intervention is provided. The 2.5 hours per week may include time with a *person* or a *program*, or a *combination* of the two. You may ask your child's teacher for clarification.

## Your child's intervention:

- Describe the child's intervention here. Consider including:
  - Days of the Week (e.g., Monday through Friday)
  - Time of Day (i.e., 10:00-10:30 am)
  - Intervention focus/goals (i.e., phonemic awareness, spelling)

- Mode of intervention (e.g., direct instruction or computer program, individual or small group)
- $\circ$   $\;$  Name of the person working with student's intervention
- Description of materials (i.e., what will the student use?)
- Description of instruction (i.e., what will the student do?)

On the next few pages, you will find:

- a sample *Second Grade Student Summary* for fall to help you understand your own child's report
- a table with more detailed task information
- a *Family Information Sheet for Literacy Screening in Virginia* that answers common questions about *PALS*
- your child's Student Summary

Sincerely,

Principal/School Division staffer name/ signature

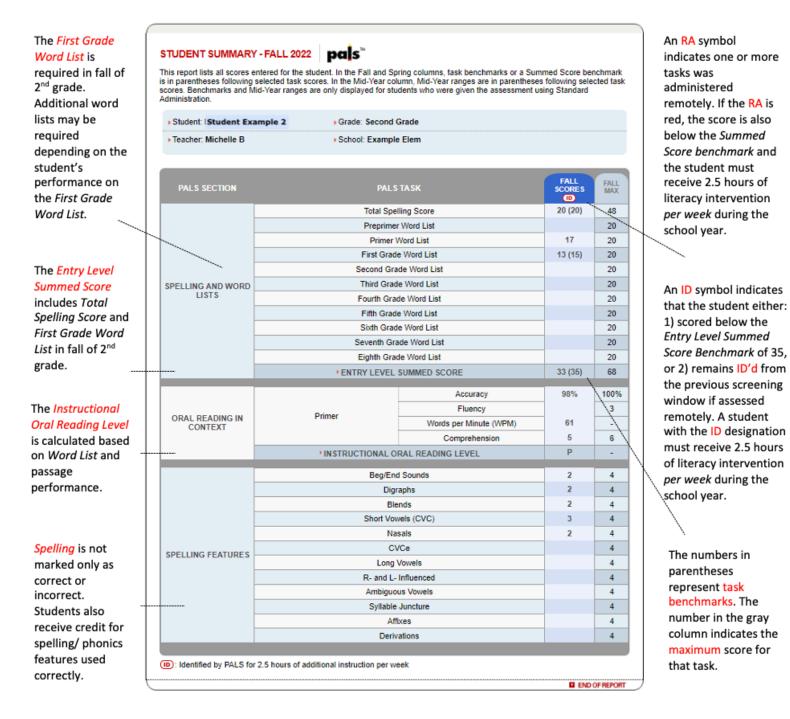

## Second Grade Fall 2022 PALS Tasks

|   | Who  | Task                       | Purpose   | Max | Fall Benchmark Information   |
|---|--|----------------------------|---|-----|--|
| Level A:<br>Entry-Level                                 | All<br>students  | Spelling                   | use letters to represent<br>sounds  | 48  | <ul> <li>Students spell 20 words</li> <li>Partial credit earned for correct<br/>target phonics features</li> <li>Fall benchmark (minimum) of 20</li> </ul>   |
|   |  | Word Lists                 | identify words commonly<br>found in grade-level texts                             | 20  | <ul> <li>All students begin with the First<br/>Grade Word List</li> <li>Students may read more lists<br/>based on performance</li> </ul>   |
|   |  | Oral Reading in<br>Context | read a passage and,<br>depending on level,<br>answer 6 comprehension<br>questions |     | <ul> <li>Passage selection is based on<br/>the highest-level word list on<br/>which the student could read 15<br/>or more words correctly</li> <li>Instructional level = 90-97%<br/>accuracy (Primer or higher)</li> <li>Students are timed to<br/>determine Words Per Minute<br/>(WPM) on Primer or higher-level<br/>passages</li> <li>6 multiple-choice<br/>comprehension questions are<br/>required for passage levels 4<sup>th</sup>-<br/>8<sup>th</sup>: optional for Primer-3<sup>rd</sup></li> <li>If WPM or comprehension<br/>scores are too low, an additional<br/>passage may be required</li> </ul> |
| Level B:<br>Alphabetics                                 | Students<br>with<br>Preprimer<br>Word List<br>score<br>below<br>15 | Alphabet<br>Recognition    | identify lowercase letters of the alphabet  | 26  | Fall benchmark (minimum) of 26   |
|   |  | Letter Sounds              | produce letter sounds for uppercase letters                                       | 26  | Fall benchmark (minimum) of 24   |
| Level C:<br>Phonemic Awareness                          |  | Blending                   | orally blend 2-4 speech sounds to produce words                                   | 20  | Fall benchmark (minimum) of 12   |
|   |  | Sound to Letter            | identify sounds at the<br>beginning, middle, and<br>end of words                  | 40  | • Fall benchmark (minimum) of 28   |
| Fall 2 <sup>nd</sup> Grade<br>Entry- Level Summed Score |  |                            |   | 68  | <ul> <li>Fall benchmark (minimum) of<br/>35</li> <li>Includes First Grade Word List<br/>score + Spelling score only</li> </ul>   |

## Sample PALS 2<sup>nd</sup> Grade Student Summary: Fall 2022

Some Student Summary reports include Level B and Level C tasks. Level B and C tasks are required if the student's *Preprimer Word List* score is below 15.

palsk-3

### Family Information Sheet for Literacy Screening in Virginia

#### What is literacy?

Literacy means that someone can read and write. The goal of reading is to be able to understand (comprehend) what one reads. Children need to be able to:

- 1. <u>decode</u> –blend sounds together to read words
- 2. encode spell words
- 3. understand and use language

As children's skills improve in these three areas, they develop fluency and comprehension.

#### What is a screener?

A literacy *screener* (also known as a *test* or *assessment*) is designed to identify children at high risk for reading problems. If students are identified as needing additional support, they receive *intervention* (i.e., extra instruction) to help the student make progress. Early intervention is critical because research tells us that risk for reading difficulties can be detected as early as kindergarten. Additionally, *PALS* task scores allow teachers to target instruction to meet student needs.

#### What is PALS?

*PALS* is the Virginia Department of Education sponsored literacy screener that is designed to give a snapshot of critical literacy skills at a single moment in time. Rather than focus on all parts of literacy, *PALS* focuses on *decoding* and *encoding*. *PALS* does **not** offer a comprehensive picture of your child's literacy skills.

#### What do PALS scores mean?

PALS has individual task scores which show the number of items a student answered correctly on each task and an overall Summed Score. If a child's Summed Score is below the Summed Score Benchmark, the student is eligible to receive state dollars for intervention. There is a different Summed Score Benchmark for each grade-level and each time period (fall/spring). There is not a Summed Score Benchmark at Mid-Year. Mid-Year screening allows teachers to monitor students' individual task scores in between the Fall and Spring assessment periods.

**If your child's** *Summed Score* **meets or exceeds the Fall or Spring benchmark,** your child's individual task scores may still indicate that your child needs instruction in these particular areas.

If your child's Summed Score is below the Fall or Spring benchmark, this indicates that your child is significantly behind in basic literacy development and has been Identified below the Summed Score Benchmark by PALS.

Students who have in and/or is by their name have a Fall or Spring *Summed Score* below the benchmark and are required by the Early Intervention Reading Initiative (EIRI) to receive 2.5 hours of additional instruction per week above and beyond regular classroom instruction. Divisions and schools may decide what intervention looks like and how to communicate the plan to families. The 2.5 hours may include time with a *person* or a *program*, or a *combination* of the two. *You may ask your child's school about EIRI intervention provided for your child*. The Virginia Literacy Partnerships Office provides a letter template that divisions and schools can use to give you additional information about your child's *PALS* scores.

#### What are spelling features?

Students spell a list of words as part of the screener. A student may get the entire word correct and/or parts of the word correct. Knowledge of the parts, or phonics features, is critical in encoding (spelling) and decoding (reading). By analyzing students' spelling, the teacher can determine what phonics features to teach and what features are already known. These features progress from easier to harder.

| Features             | Examples   |  |  |
|----------------------|--|--|--|
|                      | (words are not from assessment)                            |  |  |
| Beginning Sounds     | <u>b</u> at, <u>m</u> an                                   |  |  |
| Ending Sounds        | ba <u>t</u> , ma <u>n</u>                                  |  |  |
| Beg/End Sounds       | <u>b</u> a <u>t</u> , <u>m</u> a <u>n</u> (must have both) |  |  |
| Digraphs             | <u>sh</u> op, ba <u>th</u>                                 |  |  |
| Blends               | <u>tr</u> ap, fa <u>st</u> , <u>cl</u> am                  |  |  |
| Short Vowels (CVC)   | d <u>a</u> d, p <u>i</u> t                                 |  |  |
| Nasals               | bu <u>m</u> p, ju <u>n</u> k                               |  |  |
| CVCe (silent e)      | b <u>ake</u> , d <u>i</u> m <u>e</u>                       |  |  |
| Long Vowels          | l <u>ea</u> p, b <u>oa</u> t                               |  |  |
| R- and L- Influenced | <u>girl, hel</u> p   |  |  |
| Ambiguous Vowels     | p <u>ou</u> t, f <u>oi</u> l                               |  |  |
| Syllable Juncture    | clo <u>si</u> ng, ra <u>ce</u> d                           |  |  |
| Affixes              | <u>mis</u> judge, quick <u>ly</u>                          |  |  |
| Derivations          | align, perm <u>ission</u>                                  |  |  |
