VLP Evidence-Based Tutoring Program

Program – 60-minute sessions, twice per week

1. *Reading RULES!*: Evidence-based phonics program that is the core component of the tutoring sessions
2. Read-aloud with focus on vocabulary
3. Phonics-based games

All materials and trainings provided by Virginia Literacy Partnerships

Tutors

Tutors are recruited from the following, and are fully trained:

- America Reads
- Madison House
- Local high schools
- Community organizations

Students

The focus is primarily on K-2nd grade students scoring in the moderate to high-risk bands on the VALLSS but can include older students when appropriate.

Site

Sites are based on the best fit and include community recreation centers, apartment clubhouses, and schools.

Family Connection

Opportunities for families include literacy coaching and periodic progress updates.
